Front Seat Cover Installation

Should you encounter any product-related issues, please feel free to contact our customer service team for assistance.

🔍 Find our brand and get in touch with us.

1 Front Seat Cover Installation Steps

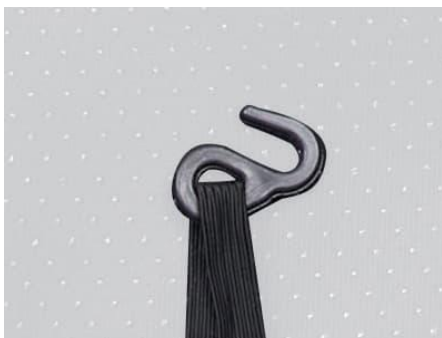

1 Airbag

(Airbag side facing outward to distinguish driver and passenger seats.)

2 Sponge Rod

3 4 5 Hook

1 Front Seat Cover Installation Steps

⚠ The airbag label must face the door side to distinguish the driver's and passenger's seat cushions

⚠ Do not hook to seat wires

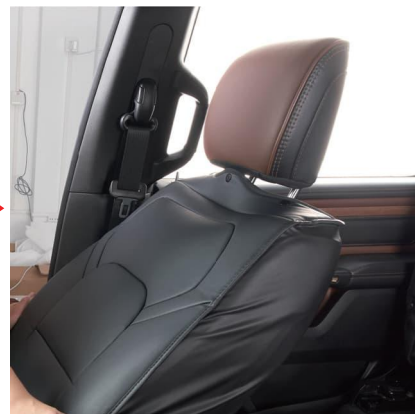

Friendly Reminder : Adjust gently to avoid straining or breaking the straps

Unfasten the top backrest buttons

Cover from Top to Bottom

Tuck in the Edges

Insert the sponge rod into the gap between the cushion and backrest.

More force is required when inserting the sponge rod compared to other steps.

Friendly Reminder : If you have long nails or manicured nails, we recommend asking a friend or family member for assistance.

Front Hooks

Rear Hook

Hook the straps to any sturdy position under the seat.

1 Front Seat Cover Installation Steps

Fasten all 3 buttons

Friendly Reminder: Please distinguish the front and back sides of the headrest cover.

Front Headrest Cover Installation

Congratulations!

You've successfully installed the front seat covers—great job!

Rear Seat Cushions Installation

Should you encounter any product-related issues, please feel free to contact our customer service team for assistance.

 Find our brand and get in touch with us.

Rear Seat Cover Installation Steps

Friendly Reminder: Adjust gently to avoid straining or breaking the straps

Rear Seat Cushions Installation Steps

Friendly Reminder: Adjust gently to avoid straining or breaking the straps

Note: Please install the passenger side rear seat cushion first, then the driver side rear one.

Lift the seat cushion, tuck the sponge rod into the gap between the cushion and backrest.

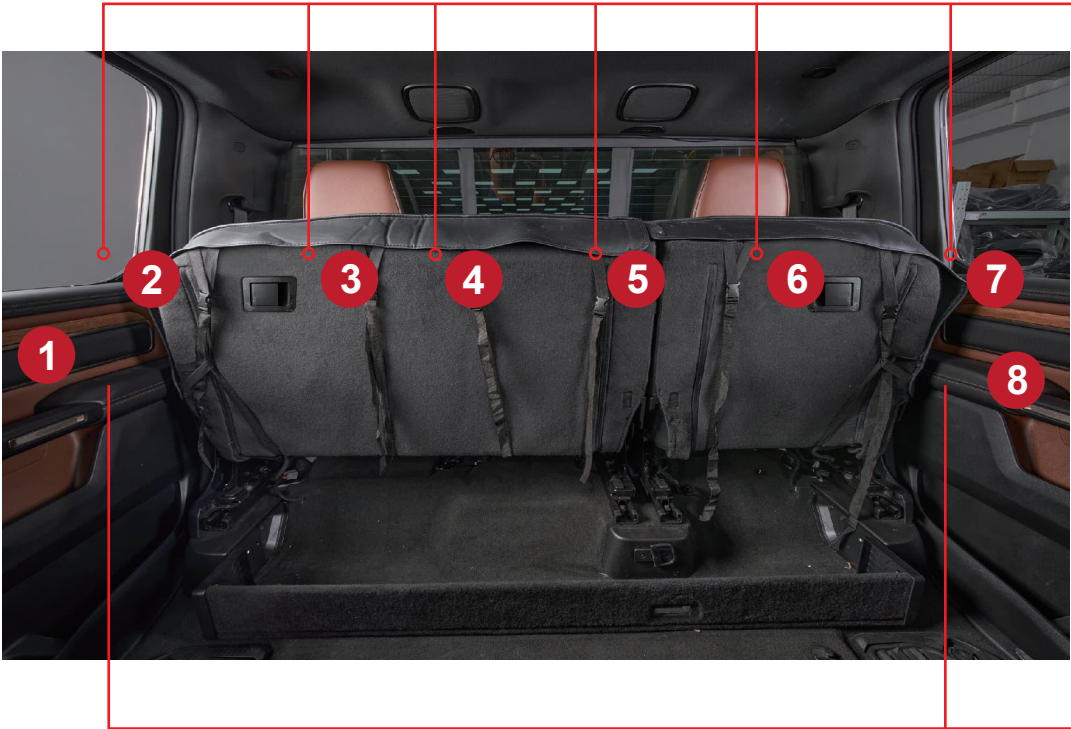

For the side buckle strap: first thread it through the loop, then fasten the buckle.

Passenger Side Rear Seat Back — Installed View.

2 Rear Seat Cushions Installation Steps

Friendly Reminder: Adjust gently to avoid straining or breaking the straps
The installation method is the same as the passenger side rear one.

Buckle

Loop

Rear Seat Backrest Installation

Should you encounter any product-related issues, please feel free to contact our customer service team for assistance.

Q Find our brand and get in touch with us.

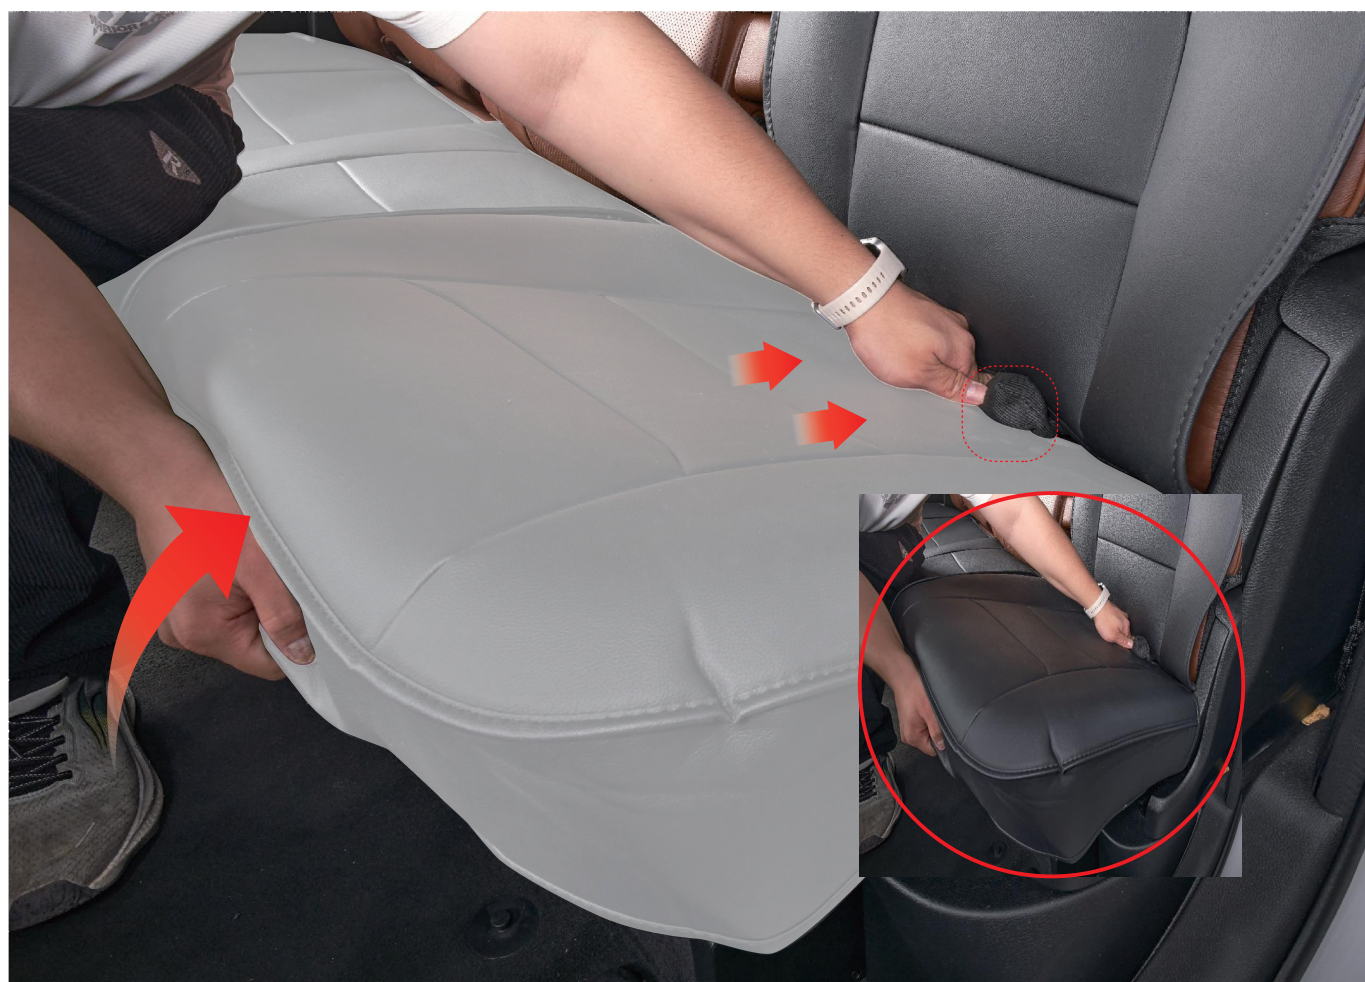

Install the passenger side rear backrest first,
then the driver side rear backrest section.

3 Rear Seat Backrest Installation Steps

Attach the Velcro to secure the headrest

Tilt the rear seat upward by 30° to easily insert the sponge rod into the gap between the seat cushion and backrest.

The driver side rear backrest is installed the same way as the passenger side rear one.

3 Rear Seat Backrest Installation Steps

Secure the buckles, then fit the middle headrest

Zip the middle backrest to one side.

FINISH – CHECK

1. Make sure no loose edges
2. Ensure all hooks are fixed
3. Ensure all buckles are fastened
4. Ensure seat covers fit tightly
5. Ready for use

Friendly Reminder: Minor creases from shipping will smooth out within 1-5 days after installation.

Great job with the install!
You're a pro.
